Miss Lily Ragsdale, who is attending the State University at Austin, had an alarming attack of pneumonia last week. For some days her life was despaired of, but we are glad to learn that she is much better, with a fair prospect of recovery.

We met our friend Captain Forgey this morning, just from Austin. He informed us he got left as to the Assistant Doorkeepership of the house; that no man from the west stood any chance. The Captain, however got the very respectable vote of some thirty to fifty.
